## 10<sup>th</sup> Memorial Jass Championship

The postponed 10<sup>th</sup> Max P. Brechbühl Memorial Jass Championship was held at the Chesa Swiss Restaurant on the 16th of March 2013.

With the help of Arlette, Selman arranged three tables for the 12 players (2 Ladies & 10 Gents) and the table for the trophies and prizes, which were generously sponsored.

The participants enjoyed an aperitif with white wine and snacks offered by the Swiss Circle. President Arlette welcome all the members and wishes them good luck. Vice-President and organizer Selman Kabay informed everyone about the rules of the game.

The Championship was open. Each participant had to draw a number. These numbers decided about the participant's partner and opponents for the 1<sup>st</sup> round of 12 games, and at which table the games would take place. After each round the participants had to draw numbers again. Everybody enjoyed their games in a very exciting and well organized atmosphere, which lasted around four hours. Arlette and Harees crossed-checked the scores and produced the final results.

Some members joined us at 8pm and we all enjoyed a very delicious dinner. After the dessert, Selman thanked all the participants for their fair play and for taking part in the Championship. He announced the Over-All Champion and the 1<sup>st</sup> – 5<sup>th</sup> place and handed out their respective prize and trophy.
