Dear Members ,

We are coming to the end of an eventful year including the 80th Anniversary celebrations. Santa and the Christmas Dinner were a huge success in a beautiful set up on the beach of the Mount Lavinia Hotel on the 7th December. Santa made a fabulous entry in his beautiful red costume arriving on an elephant to the delight of the 23 children and the adults present. The children listened carefully to Santa's words and received from Schmutzli a big bag of goodies. We all enjoyed a delicious dinner to the sound of the special band. The wine for the aperitif and dinner was sponsored by the Swiss Circle and some chocolate by Baus. The beautiful pictures by Duminda can be found on our website and dropbox. A big thank you to Cassim and his team and everyone one who helped one way or another to make this event such a enjoyable occasion.
