Our Swiss National Day was held on Saturday 2nd August 2014 at the Tropical hut of the Mount Lavinia Hotel and was attended by over 50 persons.

The venue was beautifully decorated for this occasion with Swiss and Canton Flags. At 6.30 pm our president, Selman Kabay, welcomed all and thanked the Swiss Embassy for sponsoring the aperitif and Mr. Cassim Bazeer, General Manager, for hosting the event. Mr. Thomas Litscher, Ambassador of Switzerland, addressed the audience, followed by the bells and the taped official National Day Speech by Didier Burkhalter, President of the Confederation.

The official part came to a close with the national anthem sung by everyone. We all enjoyed a large spread of delicious Swiss food and a great ambience. Our warmest thanks to Selman, Johannes and all his assistants for the beautiful decorations. The children enjoyed the lampions procession with much applause from the adults.
