Newsletter 2016 / 08

December 2016

Dear Members,

As the Christmas- and New Year's festivities are approaching soon, we would like to give you a review of our last events in this last Newsletter of the year.

The Swiss Ladies Charity Group can look back at a successful Christmas Bazaar 2016. The big commitment of the dedicated ladies has definitely paid off and they are very satisfied and happy with the result! A detailed report will follow from the Ladies beginning of next year.

The Christmas dinner took place at the Beach Hut of the Mount Lavinia Hotel. 39 members and their guests enjoyed the nice and cosy atmosphere at the beautifully decorated Beach Hut – while the 14 children were eagerly waiting for Santa Claus!

After a scenic sunset, the sound of a bell could be heard from far away, and suddenly he was there – Santa Claus - with his beautiful red robe and his companion, Schmutzli, wearing his black cloak and carrying a big and heavy bag!

Santa greeted the children of each family individually and asked them to sit close to him. He had a small chat with them and spoke about their behaviour. The children listened attentively, answered his questions and assured him that they had been very good throughout the year. Some of them performed a few hesitant rhymes and songs and all of them were thrilled when Schmutzli gave them a bag full of goodies. After some group photos, Santa and Schmutzli wished everyone a Merry Christmas and disappeared into the night!

After this joyous excitement, it was time for the Christmas dinner. To the delight of all the participants, the Swiss Circle was presented with a delicious buffet. Everyone enjoyed the festive atmosphere, good company, great food and excellent wine which was sponsored by the Swiss Circle for this event.

The committee of the Swiss Circle wishes all the members and their families a Merry Christmas and a Happy and Prosperous New Year!
